THE CLAIM PROCESS

Insureds are required to notify USA Medical Services as soon as they know they will need any type of treatment.

FOUR REASONS WHY YOU SHOULD NOTIFY USA MEDICAL SERVICES AT +1 (305) 275 1500

1. **Assistance** in understanding and coordinating your benefits with direct 24-hour access to our team of professional personnel.

2. **Support** from our staff offering guidance to you or your family for the best possible medical care and services: top rated hospitals, reputable physicians and community resources.

3. **Access** to qualified representatives with extensive experience in the industry to help you avoid or reduce unnecessary medical expenses and overcharges.

4. By notifying us, we can provide the **best** possible care management before, during and after your treatment or service.
BEFORE
Once USA Medical Services is notified that an insured needs any type of treatment, our staff begins handling the case by communicating directly with the patient’s doctor and medical facility. As soon as we receive all the necessary information from your provider, including medical records, we will coordinate direct payment and confirm your benefits. This is how we guarantee our insureds a smooth admission to the hospital without worrying about payments or reimbursement. Additionally, we are here to coordinate and schedule air ambulances and second surgical and medical opinions.

DURING
During treatment and/or hospitalization, our professional staff continues to monitor the patient by communicating frequently with the doctor and hospital staff, and following up on needed treatments, progress and outcomes. We can also provide information and support to your family about the latest medical advances and treatments. Members of our staff visit patients, contact families to provide assistance, answer questions, and ensure that the patient is receiving the best quality service.

AFTER
Following the patient’s treatment or discharge from the hospital, our staff at USA Medical Services will coordinate any follow-up treatment or therapy, and will make the necessary arrangements until the payment of the claim is completed.
NOTIFICATION BEFORE TREATMENT

This section shows you what to do if your doctor informs you that you need a procedure or follow-up treatment. It also tells you what information you will need when you contact us, and what we will do to help you during the claim process.

The authorization of a claim is handled by our team of professionals at USA Medical Services. They will help you get access to treatment as promptly as possible and are there to offer you guidance and information, as well as confirm coverage for any procedure. Please make sure that you have notified USA Medical Services by calling +1 (305) 275 1500 or sending an e-mail to usamed@bupalatinamerica.com at least 72 hours in advance of receiving any medical care, or within the first 72 hours of receiving emergency treatment.

IF YOUR DOCTOR TELLS YOU THAT YOU NEED TO SEE A SPECIALIST OR HAVE SOME TESTS DONE

Call or send an e-mail to USA Medical Services. It will help us speed up your claim if you have the following details on hand:

1. The name of your referring doctor
2. Who you have been referred to
3. The test you need
4. What hospital you would like to go to

It will also help if you can ask your doctor for a copy of his/her case notes or records regarding your condition, as we will need to review them. You can email or fax them to us. USA Medical Services will make arrangements for the tests, and confirm your coverage with the doctor and hospital. This normally takes a few days once we have all the information we need.
IF YOUR DOCTOR TELLS YOU THAT YOU NEED SURGERY OR OTHER IN-PATIENT/DAY-PATIENT TREATMENT

Call or send an email to USA Medical Services. When you contact us, we will need the following:
1. The condition/symptoms being treated
2. The proposed treatment
3. Your referring doctor
4. The doctor and hospital you would like to go to

Again, it will help us expedite your claim promptly if you send us copies of your doctor’s case notes or records. Once we have all of the information we need, we will:
1. Verify your policy is in effect for the time of your treatment
2. Verify that the condition and treatment is eligible under the terms of your plan
3. Confirm coverage to the hospital and doctor
4. Schedule with the hospital a convenient appointment for you

Once you leave the hospital: To fully settle your claim, we will need a claim form, medical records, original invoices and the case notes. We usually receive these directly from the hospital; however, it may delay your claim if we do not get all these items and have to request them. Once your claim has been approved, we will confirm the amounts paid and notify you of any amount you need to pay the hospital or doctor (for example, the deductible you chose on your plan).

In most cases, USA Medical Services will pay the hospital and doctor directly, but there are some cases when this may not be possible. This is usually the case when treatment took place in a hospital that is not part of a Bupa hospital network, if you did not notify us of the treatment, or if we require more information about your condition.

IF YOUR DOCTOR RECOMMENDS PHYSICAL THERAPY OR REHABILITATION FOLLOWING SURGERY

Call or send an e-mail to USA Medical Services. When you contact us, we will need the following:
1. Your therapy plan
2. The therapist you will be seeing

Your doctor should provide a therapy plan that outlines how many therapist sessions you need and what kind of progress you are expected to make. We need to see this plan before we approve your therapy.
HOW TO FILE FOR REIMBURSEMENT

If you have followed the right steps, we are probably in the process of issuing a direct payment to your provider. However, there are circumstances when this is not possible, and we will need to process a reimbursement to you. In those cases, there are certain guidelines that you should follow, which can be found below.

In order to expedite the processing of your claim, please be sure to complete the following steps:

1. Complete the claim form. Copy of the claim form can be found in your policy kit or at www.bupasalud.com.
2. Attach all medical documents if you have not already sent them in. For example:
   - Physician’s summary
   - Diagnostic and lab tests
   - Prescription
   - Medical equipment request
3. Enclose all original receipts. For example:
   - Invoices
   - Proof of payment
4. Send the claim no later than 180 days from the date of service to:
